

Family Resource Center

ST. CROIX VALLEY

Our mission is to strengthen children, families, and communities by providing education, resources and support to families with children prenatal-kindergarten entry in Pierce, Polk and St. Croix Counties.

We understand that needs change as quickly as children grow, which is why we have developed evidence-based programs, resources, and education to support early childhood development for families with children from prenatal to kindergarten entry.

welcome baby

Meet in person with a Parent Educator at the hospital [or virtually] to learn about newborn development, get your questions answered, learn about the Period of Purple Crying and other available resources.

baby & me

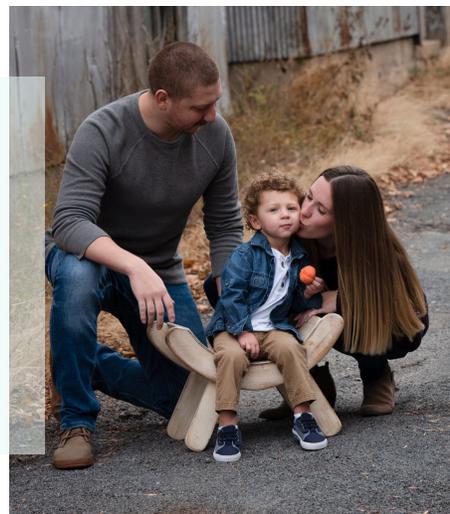

Join our group connection program for parents/caregivers with babies. Build a support network, learn about developmental milestones, share ups and downs, ask questions and discuss concerns with a Parent Educator.

home visiting

Receive parenting support and education at home.

Parent Educators provide prenatal support, child development information, parent-child developmental assessments and opportunities to discuss parenting issues.

group connections

In our parent-child group connection programs, families can connect with a supportive community, learn to be an effective family leader, strengthen their children's social/emotional and mental health and much more!
